Acceptance of Medical Examination

On signing the present consent, I DECLARE I have been informed of the procedure and I expressly AUTHORISE the performance of:

1. Collection of blood and urine samples to be sent to the agreed laboratory for their processing. We would remind you that the drawing of blood may cause a feeling of dizziness, bleeding and a risk of bruising.
2. Medical examination, supplementary tests and/or related questionnaires.
3. Issue of the aptitude, always observing the right to intimacy and the dignity of the worker and the confidentiality of all information relating to their state of health, in accordance with Art. 22 of the Law on Occupational Risk Prevention, Law 31/1995, on Health Surveillance.
